

Hospital location map

**How to find us**

**Public transport**

- Edgware station (Northern Line)**  
Catch 107 bus from stop F at bus station to hospital gates.
- Stanmore station (Jubilee Line)**  
30 minute, uphill walk or taxi (taxis available outside the tube station).
- Elstree & Borehamwood station (Thameslink)**  
Catch 107 bus to hospital gates.
- Hospital Minibus**  
The RNOH provides a minibus shuttle service for patients and visitors. This service runs both to and from the Stanmore site to both Edgware bus and tube station (Northern line) and Stanmore tube station (Jubilee line). The minibus has a large number of pickup points on the site including Orthotics, Outpatients and the Main Gate.

This popular service is provided by Barnet PCT on behalf of the hospital from Monday to Friday, commencing at 6.30am and terminating at 5pm. (N.B. Lunch break is between 12.30-13.30, there will be no service during this time).

**On-site parking**  
 Staff and visitors are requested to comply with the parking regulations which are designed to help our less able patients. Car parks are indicated overleaf.

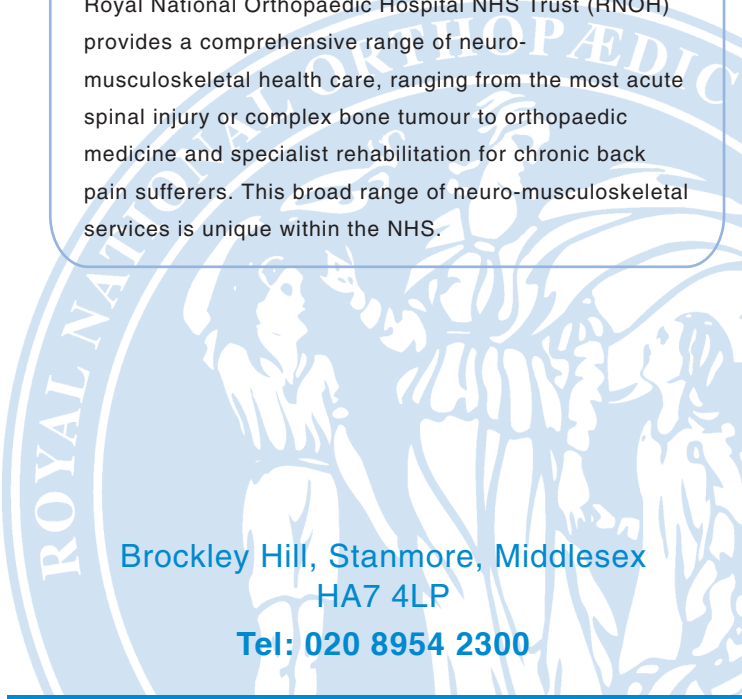

Royal National Orthopaedic Hospital NHS Trust

**Your guide to RNOH Stanmore**

**About us**

Royal National Orthopaedic Hospital NHS Trust (RNOH) provides a comprehensive range of neuro-musculoskeletal health care, ranging from the most acute spinal injury or complex bone tumour to orthopaedic medicine and specialist rehabilitation for chronic back pain sufferers. This broad range of neuro-musculoskeletal services is unique within the NHS.
